## Atlanta-Area Author Celebrates Many Successes

*Cecil Murphey's 112th Book Released in  
January*

(ATLANTA, GA) Tucker resident and bestselling author Cecil Murphey--The Man Behind the Words--has many reasons to be thankful as he begins the new year:

The book he wrote with Dr. Ben Carson, [Gifted Hands: The Ben Carson Story](#), has been made into a [Johnson & Johnson Spotlight Presentation® Movie](#) with Oscar-winner Cuba Gooding Jr. playing Dr. Carson. The movie premieres February 7, at 8 p.m. (ET), exclusively on TNT.

[90 Minutes in Heaven](#), the book he

wrote for Don Piper, is now in its third year on the *NY Times* bestseller list. Sales have reached four million copies, the book has been translated into more than 30 languages, and it was on *USA Today's* list of top 150 books sold in the past 15 years.

His 112<sup>th</sup> book, [\*When Someone You Love Has Cancer: Comfort and Encouragement for Caregivers and Loved Ones\*](#), released earlier this month.

Also scheduled for a 2009 release are Murphey's fourth book with Don Piper and a book with Bishop Eddie Long, pastor of the more-than-25,000-member New Birth Missionary Baptist Church in Lithonia. *When Someone You Love Is Grieving*; *Soul Eclipse: Seeking God in the Dark*; and *Christmas Miracles* will release in 2009 as well.

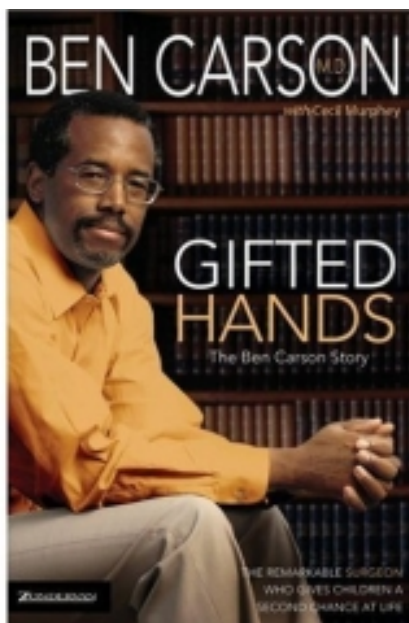

Murphey enjoys the benefits of his career. More than 20 years ago he realized that the easiest way to become a famous writer was to find a genre and build an audience. He decided he would rather write in a number of areas, even though he might never have the big sales. He's still amazed at how well his career has gone.

His most successful books have been those he has written for celebrities, but he also writes in the field of caregiving, aging, and spiritual growth.
